May 28, 2020

Dear Families,

The Ministry of Education has re-opened in person learning on a voluntary basis for the month of June. Our understanding is that you have decided not to send your child(ren) to school at this time. We are respectful of your choice and online learning will continue for the month of June.

At this time, your child's teacher will be teaching in person on Mondays and Tuesdays and may not be as available to respond to online questions on those days as they focus on the students in class. Teachers will be back online Wednesday to Friday to support your children. Please note that this schedule can change due to increasing return of students to class. You will be informed if changes do occur.

Should you change your mind and want to **send your child to school**, please note that the school will need some **prior notice** before your child can attend class as we will need time to prepare for them. If you have any questions, please call (250) 956-4434 and I will try to respond in a timely manner.

Sincerely,

Kelly Amodeo
Principal
